A healthier version of the classic Swedish chocolate ball. My kids love them.

Ingredients

1 1/4 cup /3 dl oats
4 Tbsp unsweetened cocoa
1/4 cup / 3/4 dl milk, milk substitute or water
12-14 pitted dates
1 Tbsp canola oil
2 Tbsp cold coffee
1/2 cup /1½ dl unsweetened coconut flakes

Combine all ingredients except the coconut flakes in a food processor. Mix until smooth. Form small balls and roll them in the coconut flakes until covered. Store in the fridge.
